Please come along and enjoy a game of football at Underlane, where the clubhouse will be opening from 7pm

Sharon Wood Youth Football Tournament:

We are happy to announce our annual Sharon Woods Tournament, which will be held on Sunday 21st July, which takes place on our grounds. This youth tournament is a charitable event, which is played in great honor of Sharon Wood, a founder member of Wendron's youth committee who sadly died of cancer in 1999. 10 of our youth teams will be entered in this year's tournament where they, like any team (mixed, boys and girls), get to compete all day long around our facilities and have a fun day where they get to play football and enjoy with their teammates. There would be food and drinks being sold all day. Any volunteers on the day would be appreciated.
